SAFE Brief
World Safety and Health Day 2024

II►SAFE

Introduction

Please Note: *This is a Special Edition SAFE Brief in honor of our 10th anniversary of celebrating World Safety & Health Day (WSHD) and includes the Safety Stand Down to occur the week of WSHD, April 22.*
Aramark operates with a **Target Zero** vision – no harm to people or the environment. Guided by our SAFE Policy, we have served with passion and pride to achieve significant milestones in safety. With more of us going home safely to our families year over year, we continue to *Shine On for Safety* until Target Zero is met.

Take Time:
Review how you *Shine On for Safety* this week. How do you lead by example?

Follow the SAFE Principles

Lead with a Culture of Safety

Provide Support
Encourage coworkers to complete tasks safely

Clean Workstations
Keep areas clean & tidy for safe work environments

Engage & Educate

Stay Engaged
Participate in SAFE activities & SAFE communications

Training
Complete all required SAFE training

Always Do the Right Thing

Follow Requirements
For food, workplace, & environmental safety

Personal Protective Equipment
Use the tools provided to get the job done safely

Keep Learning & Growing

Avoid Complacency
Always ask yourself: is there a safer way?

Be Accountable
Take responsibility for yourself & others

Stop & Speak Up

Say Something
Empower each other to challenge unsafe practices

Lead by Example
Take the initiative to clean up a spill or report an accident

Source Safely & Responsibly

Sustainability
Look out for each other's wellbeing & the environment

Provide Feedback
Share ideas to improve safety performance

WSHD Stand-Down

Week of April 22nd

Aramark employees around the world *Shine On for Safety* every single day. Frontline workers form the backbone of this company, and it is because of your unwavering commitment and efforts that we continue to *shine*. Let's continue to strive for excellence, as we move towards Target Zero. For all your hard work and dedication, we thank you.
